|      | 3.) 7 embryos - 1 & 2's            | \$750.00         |
| 3A.) | 2792 (17353897) x Generation 2100: |                  |
|      | 1.) 5 embryos – 1's                | \$800.00         |
|      | 2.) 5 embryos – 1's                | \$800.00         |
|      | 3.) 4 embryos – 1 & 2's            | \$750.00         |
| 3B.) | 2792 (17353897) x Discovery        |                  |
|      | 1.) 4 embryos – 1's                | \$900.00         |
|      | 2.) 4 embryos – 2's                | \$800.00         |
| 3C.) | 2792 (17353897) x Discovery:       |                  |
|      | 1.) 4 embryos – 1 & 2's Invitro    | \$900.00         |
| 3D.) | 2792 (17353897) x Traction         |                  |
|      | 1.) 5 embryos – 1's Invitro        | \$800.00         |

A beautifully designed daughter of Sunrise that traces back to the popular Predestined daughter out of the G A R program 1907. She offers a curve bending EPD profile with over a point of Marbling and RE. A multitude of matings out of the great bred female to choose from.

Picture of 1907 - Grand Dam

- 4.) K8266 (16327023) x Stud: Price per Embryo  
 1.) 4 embryos – 1 & 2's Invitro \$800.00

The power cow of the Cigar City program is this daughter of Total that traces back to the famed 2808 cow from G A R. She is a extremely high marbling cow with low fat. The mating to Stud will create a quite a unique pairing.

Picture of K8266

- 5.) 4095 (18017440) x Freys Opportunity Price per Embryo  
 1.) 6 embryos – 1's Invitro \$800.00  
 2.) 6 embryos – 1's Invitro \$800.00  
 3.) 4 embryos – 1 & 2's Invitro \$700.00

- 5A.) 4095 (18017440) x Stud:  
 1.) 5 embryos – 1 & 2's Invitro \$900.00

The highest CED daughter of Momentum, that like her mother 1582 offers and nice growth spread, great carcass traits and a high docility EPD. Tracing back to 6108, the matings by Opportunity and Stud will be cutting edge.

Great Grand Dam of 4095

- 6.) 5131 (18213086) x Freys Opportunity Price per Embryo  
 1.) 5 embryos – 1 & 2's Invitro \$1,000.00

This female who was the \$15,000 top selling yearling heifer at the 2016 Stars of Texas Sale traces back to the popular dam of Rampage. This mating to Opportunity offers an out-cross pedigree with an Elite EPD profile out of one of Angus's hottest cow families. This mating should be one that should go first!

Picture of 5131

- 7.) 4100 (17958864) x Stud: Price per Embryo  
 1.) 6 embryos – 1's Invitro \$900.00  
 2.) 6 embryos – 1 & 2's Invitro \$800.00

- 7A.) 4100 (17958864) x EXAR Hi -Tech 4769B  
 1.) 5 embryos – 1's Invitro \$900.00  
 2.) 4 embryos – 1 & 2's Invitro \$800.00

This beautiful daughter of Consensus is out of the 9029 cow. She excels from a phenotype and carcass merit standpoint being over a point for both Marbling and RE EPDs. The mating to Stud and Hi-Tech should be the perfect Ten X sons to use on this masterpiece!
